### GIVE & TAKE

#### National Alumni Forum to Change Name

The National **Alumni** Forum is changing its name, but not its focus.

The forum was created in 1995 to encourage **alumni** to use their gifts in support of academic freedom (and in opposition to what the forum sees as political correctness). In January 1998, it will become the **American Council of Trustees** and **Alumni**. But little else will change.

"In spite of our expanded work with trustees, the millions of **alumni** who care about their colleges remain the heart and soul of the organization," says the forum's newsletter, "Inside Academe."
