**ACTA's network of educators and supporters:**

- 23,000+ individual trustees
- 1,000+ unique governing boards
- 1,200+ college, university and system presidents
- 1,300 colleges and universities: 750 private and 550 public universities representing 90% of institutions that provide four-year liberal arts degrees in the U.S.
- 13,000 alumni
- 48,500 + high school counselors

**ACTA's nationwide impact includes:**

- **Sixty universities** adopting robust statements protecting free expression since ACTA began campaigning for universities to adopt the Chicago Principles on Freedom of Expression
- Bipartisan invitations to testify before both congressional and state legislative education committees
- Providing trustees and higher education leaders with extensive data on spending patterns at **1,500+ institutions**—through the new **HowCollegesSpendMoney.com** website
- More than **80 institutions** have tapped ACTA for support and expertise on how to better utilize their limited resources.
- Influencing millions of dollars in donations to help philanthropists reform higher education through the **Fund for Academic Renewal (FAR)**
- **1,122** public and private colleges and universities evaluated **What Will They Learn?™**
- Building a network of **68 Oases of Excellence Programs** that promote intellectual diversity and academic excellence
- Support from 800+ individuals and philanthropic groups
- Appearances in over 700 news stories in print and online

-###-

*ACTA is a nonprofit organization dedicated to academic freedom, academic excellence, and accountability in higher education. We receive no government funding and are supported through the generosity of individuals and foundations. For more information, visit [GoACTA.org](http://GoACTA.org), follow us on [Facebook](#) or [Twitter](#), and subscribe to our [newsletter](#).*
